- Click on *Ócáidí Speisialta* (Special Occasions) and, from the drop down menu, select *An Cháisc* (Easter)

The children can listen to the lesson and play the interactive games (they are familiar with the process).

Maths

We use the *Planet Maths* scheme. The publisher, Folens, has made the scheme available online for parents. I have set up a link as follows which will enable parents to access games and worksheets from this scheme. The games and books are stored under favourites if people would like to access them. Alternatively, the children may work from the Maths worksheets sent home in the pack last week. Go to their site [here](#).
